A WINNER — Tom Giacinto, 16, is a top player on a winning team. The St. Augustine High School student is the son of Mr. and Mrs. Sal Giacinto of 2730 Myra, Lemon Grove. His varsity team has won five games and lost one this season. The team's coach, Ed Doherty, described Giacinto as the best high school defensive end he has seen. Giacinto was a member of his school's championship junior varsity team and has won a trophy for volleyball.

Boney Upsets Bird In Supervisor's Race

Henry Boney, businessman candidate for supervisor in the second district, apparently was victor over veteran Supervisor David W. Bird as unofficial results gave Boney 50,218 votes Bird racked up 49,412.

It was a nip-and-tuck battle with the lead seesawing during election night.

Bird had made a strong effort to defeat the man who garnered more votes than he during the primary election Part of the effort to defeat Boney included the charge that Boney had been arrested twice. The charges were made in local newspapers and a half-hour television program on election eve.

In other races affecting this area, Incumbent Richard Donovan, Republican candidate for the Assembly in the 77th district, was an easy victor over John Dail, a Lemon Grove insuranceman. In unofficial results, Donovan was credited with 41,123 votes. Dail with 23,911. Lionel Van Deerlin, Democratic candidate for U.S. Representative in the 37th Congressional District, defeated Dick Wilson, the Republican candidate who Van Deerlin also defeated two years before. The vote was 76,694 to 54,284.

In other races George Murphy defeated Pierre Salinger for U.S. Senate 210,722 to 163,363 and Proposition 14 passed 255,475 to 108,025.

Vote Counting Machines Break Down

Trouble with vote counting machines Wednesday noon caused the Registrar of Voters to hold up final Boney-Bird count until Thursday.

Breakdown of equipment caused counting to stop after 273 precincts of 294 had been counted.

25,000 absentee baliots would not go through the machine.

Observers said that Bird, trailing by 800 votes, could emerge the winner but that it was not likely.

The report filed here is based on totals released Wednesday noon.

Music Students To Ring LG Bells In Candy Sale

A candy sale scheduled for Saturday morning, Nov. 7, will give the Lemon Grove community an opportunity to assist the Music Parents in their drive. Proceeeds will be used to buy robes, uniforms, and instruments for students enrolled in vocal or instrumental music programs.

Selling at fifty cents per bar, the candy is chocolate. "A real bargain," Tom Higdon, Music Parents president said. "This one day, fund-raising activity requires little time. brings results, and offers the community a good buy in sweets," he said.

Harry Weisgerber, music teacher who is supervising the sale, requests householders to purchase from whoever first canvasses the house rather than waiting for certain boys or girls. Specific routes are being assigned, rather than neighborhood schedules for door bell ringing, and no individual contest are being conducted. "Buy from any of the students," said Weisgerber, "but be sure to buy!"

The sale should be completed by noon with the entire town blanketed by nearly 300 students.

Emergency Welfare Set For Lemon Grove Area

With the holidays just around the calendar corner, a group of local civic leaders put together the machinery for administering aid through a new organization to be called the Lemon Grove Emergency Welfare Association.

The group chose Mrs. Lillian Collette as temporary chairman at the meeting held Monday in the board room of the Lemon Grove Elementary school district education center.

Mrs. Collette said that a need was present in Lemon Grove for emergency aid for local families that did not come under the County Welfare requisites. The need, she explained, is usually of a very temporary nature.

Local welfare aid has been channeled through Mrs. Margaret Sayward's guiding hand but plans are to expand the program. Already on hand as the first meeting closed was a request from the Lemon Grove Rotary club to be allowed to administer to a family for its Thanksgiving needs.

At the formation meeting were the following:

Mrs. Collette, Mr. Miguel High School PTA; Mrs. R. L. Hill, Valley Grove Council PTA; Sam Pernicano, Lemon Grove Kiwanis club; Mrs. Don Beebe, Foothills Secondary PTA; Fire Chief Harold Hensley, and Mrs. Rita Russell, representing the school district.

Another meeting is scheduled for Monday at 2:30 p.m. at the district board room at which officers will be named.

$3,000 Purchased With Firm's Lost Gas Credit Card

A warning of what can happen to losers of credit cards was illustrated last week by a complaint lodged with the sheriff's local office when LaVine Smith reported that $3,000 in merchandise had been purchased by the holder of a Jamul Plastering Co. card.

The card, issued by Texaco, has been used for the past three months by a person suspected of being a former employe of the firm. The firm is located at 9445 Campo rd., Spring Valley.

CHAMBER CHIDED FOR LALLYGAGGING

Pat Grace, general manager of Spears Ford and director of the Lemon Grove Chamber of Commerce, told the board Tuesday that the Chamber board was "wasting time that could better be put to use by members making money for the firms the directors represent".

He said that the board was wasting effort on details that should be handled by a chamber manager. He said that his firm would underwrite $500 of a manager's annual salary if nine other local firms would do the same. The amount, plus regular chamber income, could be used to hire a fully experienced, professional manager at $6,000 or more a year, he explained.

Chamber President Forrest Baxter called an executive meeting for Tuesday noon at El Morocco to explore Grace's proposal.

The executive committee will also attempt to replace the Chamber's vice president, Don Johns, who has been promoted by his firm, Goodrich, to west coast manager of agricultural tire sales.

Several members of the board who are active in the merchants' division are planning a farewell banquet for Johns in December. Johns is past president of the division.

Forty More Families Join Ranks Of Helpers Of Retarded Children

The names of forty families are being added this week to this newspaper's list of subscribers who are taking part in this area's very worthwhile charity — acquiring playground equipment for Angels Unaware.

A part of the subscription price from each of these families is set aside to help this group.

So far, 842 families have been added to the subscription list of this newspaper. It brings the total of regular readers to nearly 10,000.

Angels Unaware is the East County Chapter of the San Diego Association for Retarded Children. The day center is at 1288 E. Lexington ave.. El Cajon. Many children of the Spring Valley and Lemon Grove area are trained there. The center is being remodeled at present. Part of the project will be to have playground equipment installed there. Whatever funds gathered by this publication in the circulation campaign will be given to Angels Unaware for that purpose.

Amounts ranging from 10 cents to $3.50 are turned over to Angels Unaware for each subscription obtained. A simple renewal (through our salespeople) provides the smaller amount, $3.50 is contributed when a first time subscriber pays for the newspaper for two years through one of Angels Unaware members. Varying amounts in between are handed over for other combinations.

Each week this publication prints the names of the families who have agreed to participate. This week's list of subscribers includes:

The DIMMER VIEW

by MAX GOODWIN

The Men Who Wear The Star

State Senator Jack Schrade, who started his campaign for 1966 the day after his re-election in 1962, has taken up a project that merits much attention and your co-operation.

Schrade is having printed at his own expense thousands of gold stars in the shape of the California Highway Patrol and the San Diego County Sheriff's badges but with the Great California Seal in the center. These are decals that may be attached to the windshield of the car in the lower right hand corner.

On one side the star reads, "Support Your Local Police." On the driver's side is the legend, "I am proud of the men who wear the star."

"Support Your Local Police" is a slogan of the John Birch society. If Schrade is a Bircher he has not made it a matter of public record.

Regardless of who is the father of the idea, there is plenty of room for support for police officers. We are not thinking of the traffic cops who cite you for making a left turn from the right lane, or the brave sheriff's deputies who raid a "gambling den" of local business men playing poker after a club meeting, but the kind of men who risk their lives frequently. These men are often called upon to defend their action even after they have had to defend their lives.

We are reminded of the off-duty officer in New York earlier this year who stepped into a battle involving some Negro youths. A Negro boy attacked him, knife in hand. The officer shot the youth, killing him.

Emotions being what they are in this time of racial strife, the officer was roundly condemned and forced to stand trial. not as an officer pursuing his duty, but as a killer. Sorry times have turned the picture completely around. Today, too often, it is the criminal who gets the protection. And the plaintiff who stands accused.

We think that any pat on the shoulder we can give to the officer who guards us and our property, often at the risk of his life, is a token well worth bestowing.

Two Mt. Miguel Graduates Given $500 Scholarship

Don Howarth and Gary M. Sandor, 1964 graduates of Mount Miguel High School, have been awarded $500 college scholarships, according to Eugene Turley, exalted ruler of the El Cajon Elks Lodge 1812.

The awards were made by the California Elks Association and the Elks National Foundation on the basis of the students' achievements and general worthiness in state competition.

Howarth, who is enrolled at Harvard University, ranked first in his class of 480 at Mount Miguel and was president of the student body. His home is at 8903 Harness drive, Spring Valley.

Sandor, of 1223 Guilford Court, ranked third in his class and was student body vice president. He is at the University of Southern California where he plans to study architecture.

Dr. Arthur R. Elliot, youth activities chairman of the El Cajon lodge, said the local Elks plan to increase scholarship assistance in this competition as well as in the leadership contest which was opened last month.

Mount Miguel High School had the distinction of furnishing the only two Elks scholarship winners in the Grossmont District.

"TODAY"

You will, no doubt, have the opportunity today to do one of the greatest deeds which anyone can do. That is, speak a kind word to someone. The best opportunity for this is when someone has spoken unkindly to you. That person needs to hear a kind word. The kind word may be the psychological medicine his soul is craving.

Girl Scout Chatter

by Mary D. Giacinto

Things are buzzing for the 20 active young ladies in Troop 500 at the Vista La Mesa School. Under the expert guidance of leader Darlene Hunt, they held their rededication ceremony recently; made net sachet balls to donate to their Halloween Carnival; painted big signs for windows at home, and more. They are presently putting their energies in skating, the better to earn their skating badge.

Nov. 10 should be circled around your calendar as a reminder of the Dime-A-Dip Pot-Luck at the Lemon Grove Junior High Auditorium. Serving will start promptly at 5:30 p.m. The economical way to take the family out for a meat dinner is being offered by your Girl Scouts. It also affords a pleasant, informal way for friends to meet; for mother to take an "away-from-kitchen- holiday; for children to show off their parents, and for all Lemon Grovers to come to the aid of scouting. I'll see you there.

EIGHT L.G. SCHOOLS TO MARK AMERICAN EDUCATION WEEK

Lemon Grove schools make their annual "report" to the public next week as they observe American Education Week, an annual event held in November during the week that includes Veterans Day. James Dawson, president of the teachers association, stated that the basic purpose of the observavance is to make each citizen aware of the role education plays and to help him realize that good schools are his personal responsibility.

Varied programs will be offered in the six elementary and two junior highs. Most buildings are issuing invitations to parents to observe regular classrooms situations. In addition, some schools have planned special programs or events.

At Golden Avenue, individual teachers will invite parents and other patrons to observe certain, special classroom demonstrations. San Altos has scheduled a curriculum presentation on modern mathematics and Spanish at the PTA meeting Thursday evening, Nov. 12.

Although the official dates of American Education Week are Nov. 8 through 14, Palm will extend the observance into the following week. The Rotary Club will hold its luncheon meeting at the junior high on Monday, Nov. 16. Rotary members will observe the new foreign language laboratory during their school visitation.

Both Lemon Grove and Palm Junior Highs will hold the traditional "Open House" programs on Nov. 19. Parents follow their children's regular program or class schedule, allowing ten minutes to each full class. Teachers give a brief summary of the work to be covered during the year. Because the evening classroom visitation is held as part of the regular PTA meetings, it is schduled the week following AEW.

The week is sponsored nationally by the U.S. Office of Education, the National Education Association, the National Congress of Parents and Teachers, and the American Legion. It began in 1921, following World War I, when educators and the newly-formed American Legion decried the large number of people who were illiterate and physically unfit. Part of the plan was to secure a program of education adequate to meet the needs of the twentieth century and to give every child the training and equipment which is rightfully his.

Today's purposes of AEW have grown to include increased public understanding and appreciation of education including curriculum, current teaching methods and materials, and school problems and needs. Over twenty-six million adults visited their local schools during the week in 1963. Other millions were told about schools through newspapers, magazines, radio and television, sermons, motion pictures, plays, posters, and booklets.

Theme for 1964 is "Education Pays Dividends".

Diabetes Group Being Formed

The Diabetes Association of Southern California is assisting in the formation of a chapter in the San Diego area. The formation is an answer to many requests, a spokesman said.

The purpose of such a chapter is to educate its members through lectures by outstanding medical authoritites in this field. Panel discussions by professionals and non-professionals reveal how to live with diabetes.

Chapters aid in the annual detection program. The problem lies chiefly in that approximately half of the diabetics in this country do not know they have the disease. The diabetic person who is under a medically supervised regimen can usually look forward to a full, productive, normal life. Diabetes which is not treated, not controlled, is dangerous and may lead to widespread damage to a number of organs within the body. There are 50,000 known diabetics and at least 50,000 unknown diabetics in Southern California.

Diabetics, spouses of diabetics, parents of diabetic children, and friends are invited to attend the organizational meeting to be held Sunday, Nov. 8, at 2p.m. at Mercy Hospital Auditorium. For further information call Mrs. Henry Mendell, 278-6036.

"Christmas Seal contributions," he said, "are solicited by mail only and support the local association's tuberculosis case-finding, local research in three fields related to respiratory diseases as well as research at state and national levels, and informational and educational programs covering all respiratory diseases."

He said the Christmas Seal Campaign will open officially on Nov. 16.

Lt. Bus Earnest Re-lives Early Sheriff's Days

It was like "old home" week at the Lemon Grove Men's Club Friday when Sheriff's Lt. Bus Earnest provided the program.

Lt. Earnest, until recently, was in charge of the sheriff's office in El Cajon. That office is the centerpoint for the sheriff's department's east county operations. He had "worked" Lemon Grove as a sheriff's deputy when "there were two stores here," he told the club.

Reminiscing, he told of some of the changes he had observed in police work in the 29 years he has served in the east county.

Lt. Earnest said that there is often a conflict in the stories of what happened when police and citizens clash. "Usually it happens so fast that witnesses see only a segment of the action. We then have to piece together whatever evidence is available," he said.

"Sometimes police officers are in error," he said. "It is possible that in the excitement of trouble event the policeman make a move that better could have been made later." This even includes shooting," he admitted.

He said that law enforcement will become increasingly more complex as population grows. "The crime rate usually increases one or two per cent faster than population growth." he said.

Youthful lawbreakers also will become greater problems, he added. "Three million humans will reach the age of 17 this year. In 10 years four million will reach the age of 17." he explained.

The Men's Club meets every Friday at Michael's and all males are invited to a no-host luncheon at noon. The programs follow the lunch.

Twin Bill Opens SD Opera Season

An operatic "twin bill" which opened to audience ovations and rave notices in the Bay city will lead off the San Francisco opera season here Thursday, Nov. 12.

Two short operas, both set in medieval times, promise plenty of wit and variety to go with the traditional brilliance and social glitter of "opening night" at the opera. They are Puccini's "Gianni Schicci" and "Carmina Burana" by Carl Orff.

Busses for Foothills operagoers will depart for each evening's performance at 7:15 p.m. from the northwest corner of Lincoln and La Mesa blvd., La Mesa. Mrs. A. B. Arnett of 8545 Rockledge rd., La Mesa, is chairman for this area and reservations can be made by phoning her at 466-1950.

Puccini's one-act comedy stars Tito Gobbi as a shrewd and hilarious peaasant who alters the last will and testament of a rich Florentine whose relatives are conniving to prevent the fortune from going to a monastery.

Lovely Lee Venora plays opposite Glade Peterson as the young lovers who strike the only lyrical note in this otherwise worldly story. Also in the cast is Janie Martin, winner of the 1962 Metropolitan auditions.

"Carmina Burana", written in the musical mode of the 13th century, is nontheless semimoden in feeling. Its title means "songs of Buran" and it has little or no plot to interfere with the overwhelming gaiety of its music.

Mary Costa sings the lead as a Burgundian lady. She appeared here last summer as soloist with the San Diego Symphony.

Raymond Wolansky and Andre Montal play the other lears.

Tickets for opening night are available at Thearle's box office, 640 Broadway, San Diego. Phone 239-8122.

The season's second opera, "Carmen", on November 18, is already a sell-out. Tickets are available. however. for the third opera. "Otello", on Tuesday, November 24.

Christmas gift giving can be made easier and more fun than you may think. You can delight your friends by giving them a gift that has your own personal touch.

The theme for my cooking school this month will be "Holiday Gifts From Your Kitchen".

We will show you how to bake individual fruitcakes with pecans, dates, pineapple, and candied cherries. They are as colorful to look at as they are delicious. We will prepare Nut Pastries and a Surprise Breakfast Coffee Cake. The surprise ingredient is Fig Bars.

We will make Chutney Salad Dressing — different and delicious on fruit salads. Our Ambrosia Marmalade is so good, and better yet, so simple to prepare. In it we use only oranges, lemon juice, water and toasted coconut flakes. When placed in an attractive container, it makes a welcome gift. The same is true of our Spiced Fruit Salad Relish — rich with fruits and cinnamon.

You should start now saving trays, boxes, apothecary jars, brandy snifters and other reuseable containers for your gifts. They make lovely gift packages.

Plan on joining us at one of our schools this month in the comfortable, gracious Living Center of San Diego Gas & Electric Company's Eastern District Office at 104 North Johnson St. in El Cajon. The schools will be Tuesday, November 10 at 12:30 p.m. and again Tuesday, November 24 at 10:00 a.m. There will be door prizes and admission is free.
